Despite missing the first couple of bike shows this year, **Dan Joyce** has been keeping an eye on developments

Show time

The National Cycling Show is at Birmingham's NEC on 18-19 June. For details and tickets, visit nationalcyclingshow.com

1 Vello Bike+ Titanium £4,490

This titanium e-bike weighs 12.9kg+ (no pedals), making it one of the lighter e-folders. (Hummingbird's e-bike is 10.3kg.) It uses a 250W Zehus hub motor that houses the battery. It folds to 57×79×29cm. en.vello.bike

2 Mundo Airpannier £38.50

Designed to carry musical instruments by bike, this mesh pannier can also handle other outsize objects like boxes or surfboards. mundomusicgear.co.uk

3 Chris King GRD23 Wheelset \$2,650

New wheels from high-end hub, headset and BB manufacturer Chris King. The rims are 'FusionFiber' – recyclable carbon composite. If you break one, they'll take it back and make it into something else. chrisking.com

4 WolfTooth Axle Handle Multi-tool £32

Fits WolfTooth rear thru-axles and holds two double bits, giving 5 and 6mm Allen tools plus four from: 2, 2.5, 3, and 4mm Allen; flat head and Phillips screwdriver; T10 and T25 Torx. wolfteethcomponents.com

5 Ortlieb Seat-Pack QR £155

Most bikepacking bags strap in place; this one has a quick-release bracket. You'll need at least 13mm of saddle rail behind the seatpost's clamp. It works with dropper posts and, as you'd expect, is 100% waterproof. Size: 13L. ortlieb.co.uk

6 Quoc Chelsea Cycling Boot £180

Chelsea boots for the SPD-loving cyclist, these have a suede upper that's waxed for splash resistance and a 'cork infused' EVA sole that's stiff enough for cycling without making you walk like a Thunderbird puppet. Sizes: EU 41-47. quoc.cc

7 Salsa Journeyer £1,070+

The main change to Salsa's gravel bike/light tourer isn't the name – now Journeyer not Journeyman – but all the options. Drop bar, flat bar (not UK), 700C, 650B, Claris, Sora, Apex 1, Shimano GRX... Price is for Claris. salsacycles.com
