

## CAFES AND TEAROOMS

Information is split into three areas – Northumberland, Tyne & Wear and County Durham & Teesside.

All are open on a Sunday at some time of the year unless stated. If opening times are listed at the end of the entry, this is for summer Sundays but it's still best to double check in advance of a visit. There is no entry charge payable at all cafes listed.

(15) (14) is the last year the entry was checked. VLM indicates very limited menu (may just be drinks/biscuits). A few Supermarkets are listed, in locations where there are no other tearooms open on a Sunday, along with a few cafes that are not open on a Sunday.

OS 1:50 000 map numbers and grid references (six figure if known) are included. If there are two entries for the same location, the OS map number is only listed for the first entry. Please email any changes to [heatherevans.ctc@virgin.net](mailto:heatherevans.ctc@virgin.net).
