26 February 2025

Dear Ian and everyone at Cycling UK East Midlands

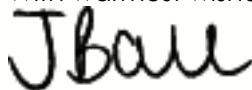

On behalf of everyone at Rainbows, I wanted to extend our heartfelt thanks for your donation of £170 from the catering at the Mince Pie Run. Your kindness and generosity are vital in helping us bring joy and light into the lives of the families we care for.

One of the ways your support makes a profound impact is through our specialist play sessions. For babies, children and young people living with complex needs, play isn't just about fun – it's a lifeline for self-expression, learning and connection. At Rainbows our Specialist Play Team tailor activities to each child's unique abilities and personality; unlocking smiles, laughter and moments of pure happiness that otherwise might not be possible.

"Rainbows has made such a difference to our family and to Freya. Everything is adapted so my children can play together and do things that you don't think about. There are just so many fun things to do, she loves it and gets really excited."
- Karin, Freya's Mum

Your support helps to make these magical moments possible. They are often transformative and help to create lasting memories for our families, while allowing children to experience the freedom and joy they deserve. Thank you.

With warmest wishes,

Jenny Ball
