Tracey Parker (Chair and Membership Officer)

Dave Berger (Secretary)

Phil Tong (Treasurer and Web master)

Nigel Graham

Dave Cowood

Chris Leach (Safeguarding)

Martin Ayling

We are East Yorks CTC,

A member group of Cycling UK.

We welcome new members. We have a weekly programme of rides on Thursdays and Sundays, which always involve visiting a cafe!

Our rides vary in length between around 30 miles (in the winter) up to around 60 miles as the year progresses.

We also arrange short trips away (overnight or over a few nights if further afield e.g. Holland) and welcome riders on solo bikes or tandems, with or without e-assistance.

Take a look at our website at <https://eastyorkshirectc.org.uk> where you will find more info and a programme of rides and trips away.

We celebrate our centenary this year, founded in June 1925. We are arranging a number of events to commemorate this achievement, including riding out to the York Cycle rally in late June 2025. Come and join us one way, or the other!
