

## **Fife and Kinross CTC Extraordinary Committee Meeting**

**Saturday 18<sup>th</sup> January 2025 - Kate's home Markinch**

Present: Kate, Kaye, Linda, Lorna, Chris, Jean, Andy 12.05pm

**Banking:-** Bank of Scotland have changed their terms and conditions and are now charging a monthly charge of £4.25 plus online, cash and cheques fees per transaction. A debit card is not being offered on this account. As yet the setting up of the second signatory has not gone ahead and Kate will chase this up so that we can start to carry out online banking.

**Kate to contact Bank of Scotland.**

Linda had produced a list of different Banks and their different charging or non charging structures and this will be looked into further once Kate has established that we are definitely not classed as a charity. If we can be classed as a charity then Bank of Scotland will not charge us any fees.

**Kate to contact Cycling UK Tom Page to get clarification**

If Bank of Scotland cannot offer free banking the other best option for the club would seem to be Virgin Bank and this will be investigated further if it is necessary. One of the criteria to be met was the facility for dual signature.

### **The Hut;-**

Stuart has requested £50.00 to replace a gas bottle.

**Kate to send him a cheque. Chris to ask for his address.**

There is repair work needed on the hut and Stuart will put together a list of necessary items and expected costs.

**CLUB LUNCH:-** The Sands Hotel Burntisland. Menu finalised. £50.00 deposit paid by Jean.

It was decided that as the club bank account is not in a position to offer the necessary banking requirements at this time Linda will ask for a £5.00 deposit from each member that is attending the lunch to be paid into her account and will then pay the Sands. Linda kindly agreed to run this event again this year.

**Jean to type up menu and send to Linda**

Meeting ended 12.45pm
