

Fife and Kinross CTC [part of Cycling UK]

We have a Club Hut on the shores of Loch Earn which has been renovated, updated and tidied up. The Hut is under the management of Stuart Allan so if you require any details about rental or other details etc, then please contact Stuart direct on 07891 145462.

Basically the hut is like a bothy, but it's for private hire, so no need to worry about sharing with people you don't know. Sleeps 3 people comfortably and there's room on the floor for another 2.

There's cooking equipment, crockery and cutlery so no need to bring a stove. Just need to bring your sleeping kit.

No toilet but there's a spade and the towns at either end of the loch have public toilets as well as the caravan park a mile or so along the road.
