

Cycling UK Life Membership

The cost of Life Membership of Cycling UK is based on current subscription rates with a discount based on age and how long you have been a member.

To calculate the rate for you, start with 25 times the annual Adult subscription rate, (as from the 1st October 2017, £45.00), a total of **£1125.00**.

Then combine these two factors:

- **1 % (= £11.25) for every full year of age up to 71; and**
- **½ % (= £5.63) for every full year subscription paid by the member.**

For example: Mr Allen is 65 years old, and has been a Cycling UK member since he was 25. He calculates the cost of Life Membership as follows:

- **Start total: £1,125**
- **Reduction for Mr Allen's age: (1% x 65 years) 65% of £1,125 = £731.25**
- **Reduction for Mr Allen's yearly subscriptions paid: (0.5% x 40) 20% of £1,125 = £225.00**
- **Total reduction (£731.25 + £225.00) = £956.25**

Total cost of Life Membership to Mr Allen (£1,125 - £956.25) = **£168.75**
