Trustee application pack

Welcome

Thank you for your interest in becoming a Trustee for Cycling UK. We are the largest cycling charity in the UK, with the largest membership base and a strong voice in Westminster and the devolved nations. We are passionate about enabling people of all ages, backgrounds and abilities to cycle safely, easily and enjoyably. We are seeking to fill five trustee vacancies on our Board.

We have been working since 1878 to influence the world of cycling. We have now completed our rebrand to Cycling UK, helped 1.5 million people start or continue cycling and we delivered the third iteration of our Big Bike Revival programme. Thanks to our work, cycling in the UK is changing and our influence in leading that change has never been greater. I'm proud of the progress we have made and now is an exciting time to welcome new Trustees to join our Board.

Behind the scenes we have modernised our governance to create a smaller, more skilled Board able to provide clear, strategic direction. Trustees are vital to our continued success and this application pack explains what we are looking for and how to find out further information.

As well as a passion for cycling, Trustees must have the essential skills, knowledge and experience required of an effective charity trustee and be able to offer a specialist skill we need.

We are keen to have a diverse and inclusive Board with people coming from a wide range of backgrounds, places and perspectives and we welcome applications from younger people/women and ethnic minorities.

We are specifically looking for one or more of the following skills, qualities and characteristics:

1. Income generation specifically organisational growth / commercial development/fundraising
2. Marketing – specifically membership growth and communications
3. The legal frameworks in the devolved nation which affect sustainable transport, health and wellbeing

In return for your passion, commitment and skills, we can offer you the chance to make a significant difference to cycling in the UK. We want to hear from you if you think you have what it takes to put our values – open, bold and enquiring – into action. If you'd like to know more or just have an informal chat, please contact myself or Paul Tuohy, CEO. We'd be delighted to answer any further questions you have.

Governance

Legal status

We are a UK company, limited by guarantee, with about 65,000 members. Since 2012 we have been registered as a charity with the Charity Commission for England and Wales and with the Office of the Scottish Charity Regulator.

The Board

We are governed by a Board which comprises up to 12 Trustees, including the Chair and Vice-Chair. The legal responsibilities of Trustees are determined by Charity and Company law where they are referred to respectively as 'trustees' and 'company directors'.

The Board's role is to govern Cycling UK and provide overall strategic direction to achieve its aims. The fundamental responsibility of Trustees is to look after the resources given to Cycling UK by individuals and organisations, and ensure these resources are used effectively to achieve the particular purpose for which they were given.

The Board meets four times a year and usually has an annual awayday. Meetings last approximately 4 hours and are held on Saturdays, usually in London.

There are also four sub-committees which typically meet 2-3 times a year and most Trustees will get involved in at least one of these. They are:

- Audit committee
- Finance committee
- Nominations committee
- Remuneration committee

Although Trustees are ultimately responsible for the management and administration of Cycling UK, operational management is delegated to the Chief Executive.

Calendar

2018 Board dates are: 28 July, 20 Oct

How Trustees are appointed

At least 9 Trustees must be members of Cycling UK, elected by the membership. The way we do this changed in 2016 following our governance review:

- Members, who have been a member for a year and who wish to stand for election are invited to submit an application. The Board's Nominations Committee assesses their application and considers the degree to which they have the personal qualities, skills and experience required; and how well they would complement the existing skill mix on the Board.
- The shortlisting of candidates will include ensuring that candidates meet the criteria as detailed in the person specification in this pack. (page 9)
- The Nominations Committee will be setting a minimum score when shortlisting against the person specification and only those candidates who exceed this will then be assessed against the additional skills shown on page 2.
- After being assessed, the election statements of those candidates who have demonstrated that they meet the essential criteria and at least one or more of the additional skills, are sent to every full member of Cycling UK.
- Every member has a vote in the elections for any Trustee vacancy. There is one UK wide constituency. Voting is done by post or online.

The Board may also consider co-opting people to address any identified skills gaps or fill casual vacancies.

The Nominations Committee may choose to endorse several specific candidates and their endorsement wording will appear on the voting form. Candidates will be informed if they have or have not been endorsed.

The timetable for filling current vacancies

Closing date for receipt of CV and covering letter 9am Monday 30 July 2018

The results including your name will be displayed on the Cycling UK website in full.

An induction day will be held on [29 November 2018](#), at our Guildford office.

Time commitment

Trustees are expected to:

- Prepare for and attend all Board meetings. These are held four times a year – typically on Saturdays in London, and they generally last half a day. - Attend Cycling UK's annual general meeting of members which is held on a Saturday.
- Complete an induction programme when they are first appointed or elected – ideally before their first Board meeting; and participate in an annual appraisal process.
- We do ask that Trustees give themselves enough time to read their Board papers in advance of any meeting. This could take upto 3 or 4 hours, for each meeting.

Trustees may also be asked to:

- Join a Board sub-committee. These typically meet 2-3 times a year, for approximately four hours, during normal office hours in London.
- Use their specialist expertise to help address a specific issue or contribute to a 'task and finish' group.

At least nine of the 12 Trustees are elected by the membership, with Nominations Committee reviewing candidates' applications to consider and comment on their suitability. This job description applies equally to all Trustees, irrespective of how they were appointed.

Term of office

Trustees serve for a term of up to three years. They may put themselves up for re-election or re-appointment, subject to a maximum of three consecutive terms of office. A Trustee retiring after serving three terms of office, is not eligible for re-election or re-appointment until they have been out of office for at least three years.
