Step-by-step process for reporting an accident/incident whilst undertaking a Cycling UK activity.

**Immediate action required**
Deal with accident/incident
- Call 999 (if required)
- First Aid (if qualified)
- Contact manager/group leader to discuss who to inform when safe to do so - next of kin/partner organisations.

- To document the accident/incident please use the accident/incident report form
- When an accident/incident occurs it is important to complete the paperwork ASAP and with as much detail as possible.
- Ensure you get the full details of the injured parties involved and any witnesses to the accident/incident.
- Time and location are essential.

- After completion please send the form to incidents@cyclinguk.org for processing.
- Treat each incident as unique.
- Confirm with your manager or group leader the most suitable action to take.
