

CHASE THE SUN 2020 BINGO!

Sat / Sun 20th / 21st June

In place of our postponed event, here is your annual navigational, motivational & physical challenge, to keep you cycling!

Plan and ride your own individual route, on this year's longest days, 20th or 21st June. Tick off as many landmarks (similar to those encountered on the original CTS south UK route) as you can find along the way. Be creative if you wish, it's just a bit of fun!

Ride as far and as fast as you like, then **SHARE A PHOTO** of your favourite bit, and tell us a few words to say why...
