Hertfordshire Cycling

Travel and Leisure Cycling Map for Hertfordshire (Revised November 2019)

Hertfordshire Cycling

www.hertscycling.com @hertscycling

This map is designed to help you get more from cycling in Hertfordshire, whether that is whilst travelling or for leisure.

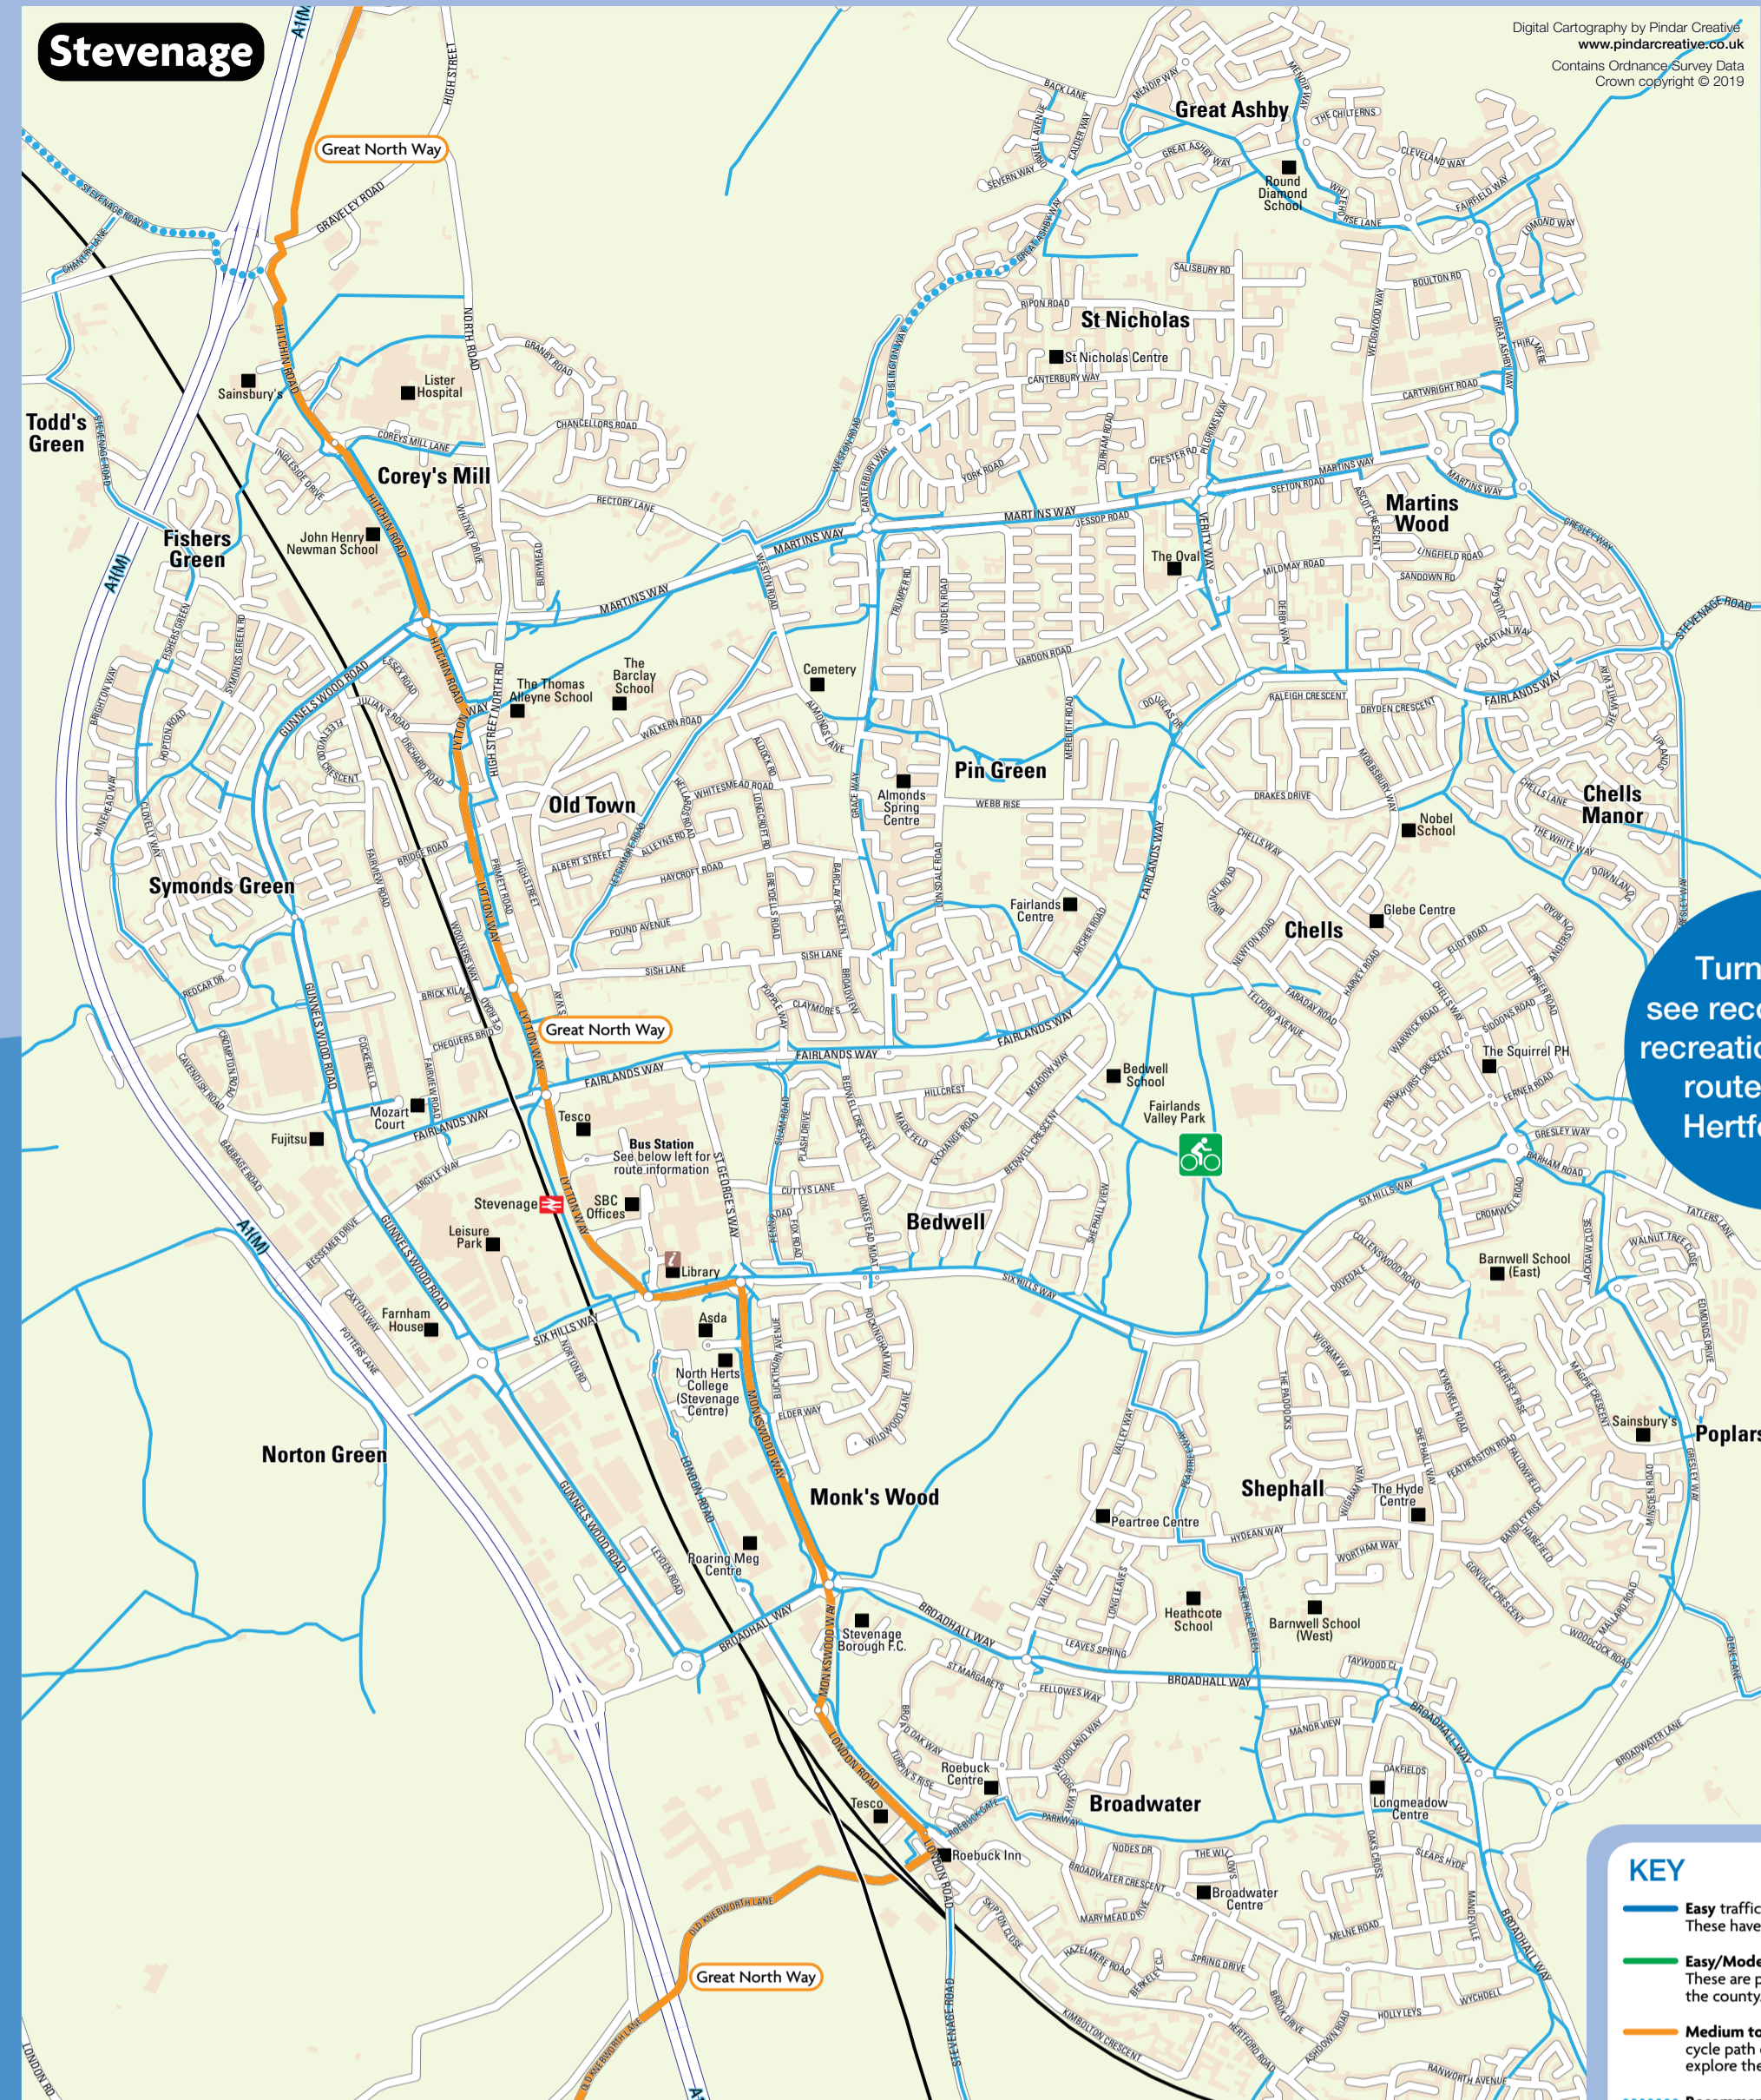

If you are just starting out, then the **Blue** routes are a great traffic-free choice. The **Green** routes help to increase your cycling, by giving you the chance to explore the county with larger sections of the cycle paths and quiet roads.

As your confidence and fitness improves, the **Orange** routes should provide even more picturesque and challenging rides. Some longer routes are highlighted such as the Great North Way or the Chilterns Cycle Way.

All routes can be found in greater detail at www.hertscycling.com along with information on clubs, cycle hubs and other options such as training to enable people to get more from their cycling.

Turn over to see recommended recreational cycling routes across Hertfordshire.

KEY

- Blue** Easy traffic free routes, mostly flat. Perfect for beginners, families and commuters. These have a mix of paved and unpaved surfaces.
- Green** Easy/Moderate often including larger sections of cycle paths and quiet roads. These are perfect for cyclists looking to increase their cycling and begin exploring the county.
- Orange** Medium to Challenging recommended road based routes that may have sections of cycle path or tracks. These are perfect for people looking to improve their fitness and explore the county more widely. These may contain faster moving roads and larger hills.
- Blue Dotted** Recommended linking Routes.
- Blue Dashed** Advisory other routes. May have light traffic levels/volumes.
