

Coronavirus Risk

Assessment Checklist - please complete with additional hazards identified if required. Please see [HSE guidance](#) for more on coronavirus risk assessments.

Name of group:

Name of person completing form:

Date of activity:

No of participants expected:

Type and location of activity:

Possible hazards

Who might be harmed?

Who might be harmed?

Tick when completed

Contracting or spreading the virus by not washing hands or not washing them properly

Participants, volunteers, general public

Put signs up and/or remind people to wash their hands or use sanitiser if no handwashing facilities available.

Contracting or spreading the virus by people congregating in high traffic areas

Participants, volunteers, general public

Limit the number of people entering a space, put in one-way direction signs, remind people about the need for social distancing.

Contracting or spreading the virus by the sharing of tools and equipment

Participants, volunteers, general public

Discourage sharing of tools and equipment, provide sanitiser and cloth to wipe down any shared surfaces.

Contracting or spreading the virus by not practising social distancing

Participants, volunteers, general public

Remind participants of social distancing and the requirement to wear masks where recommended.

Coronavirus Risk Assessment Checklist

Possible hazards	Who might be harmed?	Control measures	Tick when completed
Somebody displaying <u>coronavirus symptoms</u> during or within 10 days of an activity	Participants, volunteers, general public	1. Ask affected person to cease participation in the activity ASAP and make their own arrangements to contact the NHS. 2. Have a way for the NHS to contact participants for 21 days post-activity. Keep data securely. 3. Confidentially alert other participants and volunteers to potential infection risk.	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>
Contracting the virus through performing first aid on a casualty	Participants, volunteers, spectators	4. Be aware of St John Ambulance Covid-19 advice for qualified first aiders.	<input type="checkbox"/>
