Newsletter-AGM 2025

Dear Member,

The *Cycling UK Bedfordshire* **AGM** this year will take place on **Tuesday 13th May** at St. Andrews Church, Kimbolton Road, Bedford MK40 2PF.

It will be a **18:30hrs** meet for a prompt start at **18:45hrs**. The meeting will close at 21:00hrs.

Last year we welcomed three guests; a CUK Trustee, a Sports Psychologist and a former Professional Cyclist who kindly attended to give an input.

This year, we are hoping for a local hospital Cardiac Rehabilitation Team to give an input and, if time allows, an input from one of our own members on Audax and Long Distance cycling 🚴 🚴.

However, the overall aim of this year's AGM is to discuss our 🎉Centenary Celebrations🎉 in 2026. To ensure that we agree on what we should try and do and are in a good position to move forwards with these ideas. It would be great if we could really enjoy and maximise our Centenary Year! 🚴 🚴 🚴

It would be great to have your help and suggestions, even if you do not manage to regularly ride with the club-it is still your club too!

Please submit any items for the agenda and discussion, along with a short explanation, by Tuesday 22nd April 2025 to our Secretary or directly to the Club email: cycling.bedfordshire@gmail.com

Our current Rides Programme can be [viewed by clicking here](#). However, please do let us have your suggestions for future club rides. *A big thank you to all our Ride Leaders!*

If you do have some suggestions, please do let us have them. It would be fantastic if we could all share our favourite rides with the group. *Remember, we do not race, we cycle for enjoyment and still manage some quite challenging rides!*

Your committee:

Secretary: Terry Goff

Membership Secretary: Alan Binney
& Rides Coordinator

Treasurer: Martin Powell

Welfare/Safeguarding Officer: Adrian Taylor

Chair: Kam. Dhillon

Safe and enjoyable riding everyone and hope to see you soon!
