

## CAFES AND TEAROOMS

Information is split into three areas – Northumberland, Tyne & Wear and County Durham & Teesside.

All are open on a Sunday at some time of the year unless stated. If opening times are listed at the end of the entry, this is for summer Sundays but it's still best to double check in advance of a visit. Some also close on certain days of the week. There is no entry charge payable at all cafes listed. LM indicates a limited menu.

OS 1:50 000 map numbers and grid references (six figure if known) are included. If there are two entries for the same location, the OS map number is only listed for the first entry. Please email any changes to [heatherevans732@gmail.com](mailto:heatherevans732@gmail.com)

**Due to Covid-19 no entries have been checked by social media since May 2019**, although a few new entries have been added since then.
