Blackburn & District Cyclists' Tourist Club

With over 90 years of history and heritage to our name, there isn't much we don't know about all disciplines of cycling. Our roots are firmly set in touring with club members having explored in over 60 countries at the last count. Needless to say we know the lanes of Lancashire, Yorkshire and Cumbria like the backs of our hands - so our weekly Sunday touring rides will take you to places from your doorstep that you never knew existed.

But that's not to say that's all we offer! We have had great success in our racing section with five National Hill Climb Championships since 1999 and numerous time trial victories at county and national level. Club members have also participated in many sportives and our club runs will certainly get you fit for these.

Cycling in the UK is on a high and if this has inspired you to get out on your bike then contact us now to discover a world of fun, freedom and adventure. Riding in a group is easier than riding on your own so come and give it a month's free trial and see where Blackburn & District CTC will take you!

Clubroom Social Events

Club Rides July-December 2019

Our clubroom is open most Thursdays, 7.30pm to 9.30pm from October through to Easter.

The clubroom has a full social programme including inspiring adventure touring shows, quiz nights and guest speakers. The clubroom is a relaxed way to get to meet club members and to gain information about equipment and fitness levels before attempting club rides. So don't be shy, give it a try!

The clubroom is located in the Hewlett Room, Hyndburn Academy (formerly Norden School), Stourton St, Rishton, BB1 4ED
