NOTES : While we are in a Covid situation we are combining our 'normal' approach with the ride to venue approach.

If you are happy to ride with a group of people, then you are welcome to meet us at the park. If not you are we are equally happy to see you at the venue (see post-code) at around 10.45 – 11.15 Cycling UK guidance on group size is currently 15 Max. However, we are likely to form smaller groups of no more than 6.
