Martin Cockersole asked how Roger Geffen had become a Director of Cycle Nations. Carol McKinley informed Council that he had been asked the evening before the meeting and at the time believed it was the right thing to do, he had not thought through any possible conflicts of interests. He will attend the next meeting and after discussions with Paul and David a decision will be made on whether it is appropriate for him to remain as a Director. Carol McKinley (acting CEO) reminded Council a draft budget was presented at January Council, further work had been done and this Budget paper was presented at Operations Committee in June, 2014 and agreed, this paper is now coming to Council for ratification.
In response to a question, Carol confirmed that she was asked to prepare a balanced budget and the figures reflect that, however the £120k in Cycling Development is a target that needs to be met.

Martin Cockersole said that if we are to remain in budget then there needs to be a plan B. Barry confirmed there is no business case at the moment and Staffing would need to be looked at. Carol said she was disappointed this question was being raised now by Barry as the budget had been agreed at Operations Committee, which he Chairs. It was agreed ‘Plan B’ would be an Agenda Item at the next Operations Committee meeting September.

Jaki Lowe felt the budget was very clear and thanked the team for their work, as we are in a better position than last year.

David Cox highlighted the importance of holding an ‘Awayday’, this year and felt we needed to concentrate on ‘Business Focus’. Jaki Lowe commented that Martin’s paper would be useful for this event – how we manage ourselves, make decisions, Governance all really important issues that need to be covered. It was suggested by Barry Flood that CTC is flat lining and – ‘How do we push the Business forward’ should be an Agenda item. It was agreed David and Paul would start looking at the Agenda, in the meantime dates would be circulated for agreement.

**Action Point 2: Sue to circulate some dates for the ‘Awayday’**

**12 Report on Motion 5 at the 2014 AGM**
Carol McKinley felt the circulated paper clearly demonstrates that CTC do quite a lot on supporting the motion that went to the 2014 AGM.
