DRAFT MISSION STATEMENT FOR “CYCLE FRIENDLY GALL
(Gwendraeth/Amman/Llanelli areas”

1. To make the S.E of Carmarthenshire an easier and safer place to cycle.
2. Advise and support the County Council in its aims to promote sustainable transport and in particular the use of cycling.
3. To work with all other cycling groups to increase the number of journeys taken by cycles across the south east of the County.
4. To educate both drivers and cyclists as to the best and most considerate way to share our road space.
5. Assist in ways in which cyclists can also co-exists harmoniously with walkers, people with a disability and horse riders.
6. Help ensure that cycling (and walking) can benefit from new development across the area through constructive dialogue and advice.
7. Seek assurances from the County Council that in all its actions and across all Departments that the needs of existing and aspiring cyclists are considered.
8. Make sure that the positives from increased cycling are well known across all the communities of the area.
9. Offer a platform for cyclists within the area to have their grievances heard and properly addressed.
10. Ensure that the simple pleasures, convenience and healthy lifestyle of those who cycle is never diminished by the actions of developers, the County Council or others and that through enacting the provisions of the Active Travel Bill (Wales) many more will have access to safe and convenient cyclist routes.
