PICTURE

**GLASGOW**  
**PLAY ON PEDALS**

Play on Pedals ambassadors and Scottish Cycling athletes Aileen McGlynn OBE and James McCallum visit children from Indigo Nursery in Castlemilk to find out more about the project. Play on Pedals was awarded just over £231,000 earlier this year through the 2014 Dream Fund to deliver a project in Glasgow, enabling pre-school children to ride bikes before starting school. The project is a partnership between CTC, the national cycling charity, Cycling Scotland, the Glasgow Bike Station and Play Scotland.
