## CYCLING MOO KAY

**HAVE YOU HERD?** Cycling UK member Doug Clare (right) from Guildford in Surrey has come up with an udderly unique way to raise funds for the charity: he has bought a life-size fibreglass cow painted with beautiful cycling scenes by fellow member Charles Rowbotham (left). Named 'Cycling Moo Kay' in our honour, the cow stands at the top of the famous Box Hill climb, and will be passed by thousands of cyclists during the Prudential RideLondon-Surrey 100 on 31 July ([prudentialridelondon.co.uk](http://prudentialridelondon.co.uk)), before being auctioned off for charity.
