# CYCLING UK GRAND DRAW

EVERYONE WHO TAKES PART IN OUR RAFFLE IS A CYCLISTS' CHAMPION – BY PROVIDING FUNDS TO HELP GET BRITAIN CYCLING. CYCLING UK CHIEF EXECUTIVE **PAUL TUOHY** EXPLAINS

**EVERY PENNY RAISED** through this great prize draw will provide us with resources to inspire people to start or keep cycling. The ticket sales will help thousands overcome personal barriers to cycling, and ignite high-impact campaigns to champion the interests of everyday cycling.

By taking part in the Cycling UK Grand Draw, you'll be making a vital contribution. You'll also get the chance to win some fantastic gear for your bike – or a new one! This year's prizes are worth over £6,000, including a £3,000 cash first prize.

For the last 138 years our members have always been at the heart of CTC, and now as Cycling UK we're continuing this work. You helped us to get a million people cycling, or to

get them cycling more, in the past year alone. You contributed over a million volunteer hours in support of our vision for a UK that is happier, healthier and cleaner because of cycling.

Our touring groups ran over 13,000 led rides. You supported and promoted our campaigns. You marshalled and ran Dr Bike support at major events. You helped people in your community break down the barriers that prevented them from cycling. Our success as a cycling charity is in large part down to you, our member volunteers.

## TICKETS TO RIDE

Buying or selling our Grand Draw tickets is another way to help make cycling mainstream. The funds help us promote and share cycling

with others. This will make a lasting difference to peoples' lives and their communities.

As an independent charity, we are heavily reliant on voluntary donations for funding. Last year, we spent over £5million delivering cycling projects, promoting our work to encourage more people to join us, and championing the interests of cycling. Our membership subscriptions raise £1.8m each year but we raise an additional £3m through grants and donations.

There are 13 great prizes up for grabs in our Grand Draw, but the funds raised mean that everyone is a winner when you buy or sell tickets. We've made it really easy for you to enter: just use the form that was enclosed with this issue of Cycle.

# THE CYCLING UK GRAND DRAW IS BACK, EVEN BIGGER AND BETTER THAN EVER!

**HOW TO PAY**

There's £20 worth of tickets enclosed with this issue of Cycle (each ticket is £1). You can pay for tickets by cheque or debit/credit card. To pay by cheque, make it payable to 'Cycling UK'. To pay by debit or credit card, fill in the form on the separate prize draw insert that came with your magazine.

You can support our work further by making a donation, whether or not you buy or sell tickets for the Grand Draw. Don't forget to tick the Gift Aid box if you're a UK taxpayer: to make this and your membership donation worth 25% more, at no cost to you.

**POSTING YOUR ENTRY**

Tear off the entry and payment form (which is on the separate prize draw insert included

with this copy of Cycle), put it in an envelope with your ticket stubs and payment, and then attach the Cycling UK return address sticker to the envelope, along with the correct postage.

If you've lost the address sticker, the return address for entries is: **Cycling UK Grand Draw, Parklands, Railton Road, Guildford, GU2 9JX.**

**UNWANTED TICKETS**

Please accept our apologies if you have requested not to receive tickets in the past. Due to the way the magazine is mailed, it would be very costly and difficult to make sure that some people don't receive raffle tickets. Please do pass on your tickets to friends and colleagues if you don't want them.

**THINGS TO REMEMBER**

Make sure that you keep your counterfoils (the tickets) and send only your stubs back to Cycling UK. Ensure your details are on each ticket stub. Payment should match the number of tickets you've sold; two books comes to £20. Entries to be returned no later than 24th November 2016. Good luck!
