PLAY ON PEDALS

PLAY ON PEDALS, a project that is enabling every preschool child in Glasgow to learn to ride a bike, celebrated a milestone in December by reaching over 7,000 children with this important life skill. The award-nominated partnership project from Cycling UK, Cycling Scotland, The Glasgow Bike Station and Play Scotland has worked with 7,148 children since it began two-and-a-half years ago. Children celebrated with Santa at a Play on Pedals drop-in session in Govan on Saturday 3rd December. Play on Pedals is supported by the People's Postcode Lottery, which awarded the project £232,000.
