CS HEALTHCARE

CS HEALTHCARE IS the specialist provider of health insurance to Cycling UK Members. Voted 'Most Trusted Health Insurance Provider' in the Moneywise Customer Service Awards 2016, they offer a choice of two products, so you can select the right plan at the right price for you.

Their **your choice** health plan offers you the opportunity to tailor your

cover when it comes to private diagnosis, treatment, and surgery. It gives you the flexibility to add additional options to your policy, including comprehensive diagnostics and cover for heart and cancer conditions.

HealthBridge has been specially designed to provide you with quick access to treatment at an affordable price. It covers a key range of benefits up to an overall

financial limit of £15,000 per person, per policy year.

As a member of Cycling UK, you'll receive your first three months free when taking out a **your choice** policy or your first two months free when taking out a **HealthBridge** policy.*

**This offer is only available to UK-based Cycling UK members and cannot be used in conjunction with any other offer and may be amended or withdrawn by CS Healthcare at any time. This offer is not available to policies arranged via a Broker and is not available to existing members of CS Healthcare, including those who cancel and re-join.*
