CYCLING UK CLOTHING

THE NEW CYCLING UK clothing is here – just in time for Christmas. We've collaborated with some of the very best manufacturers to bring you a range of modern jerseys, jackets, and accessories that will keep you comfortable and looking great when you're out riding. The range includes: a Cyclists' Touring Club wool jersey, Cycling UK jersey, Cycling UK cap, and a Cycling UK neck tube. There are also women's and men's Cycling UK jackets, made by Endura, which are waterproof, breathable, and fully seam-sealed. They have a reflective Cycling UK logo on the front and back. All the Cycling UK kit is available from shop.cyclinguk.org. Prices start at £8.
