# CHALLENGE RIDE SERIES

**CYCLING UK'S 2018** Challenge Ride Series kicks off on 25 March with events in the north and south, hosted by CTC Two Mills (The Wirral) and Stevenage Cycling respectively. The series continues through to the autumn, with non-competitive rides of 100km or more across the country – including the Devon Delight. Organised by our Member Groups and their wonderful volunteers, each event is a great way to enjoy a fantastic day out cycling, exploring some of our amazing countryside and meeting like-minded people. You'll find a friendly welcome, plenty of tea and cake, and may even earn a Challenge Ride medal and a certificate for your efforts! The series concludes with Stevenage Cycling's celebration of the end of summertime, Emitremmus, on Sunday 28 October. For more details of all the events and how to take part, see [bit.ly/cycle-challengerides2018](http://bit.ly/cycle-challengerides2018).
