**1 GENESIS FUGIO FRAMESET**  
£799.99

Fancy building up your own road-plus bike? The Fugio's asymmetric-chainstay chrome-moly steel frame and carbon fork will fit 50mm 650B tyres and a road chainset. [genesisbikes.co.uk](http://genesisbikes.co.uk)

**2 GIRO EMPIRE VR70 KNIT MTB SHOES** £219.99

Like the socks and sandals they take design cues from, Giro's knitted shoes should be comfortable and breathable. For UK use, I'm sceptical. [giro.com](http://giro.com)

**3 PINNACLE FRONT LUGGAGE RACK** £40

Porteur racks are back in fashion. This aluminium one is designed for Pinnacle bikes but should fit most bikes with mid-leg mounts and a drilled crown. Carries 8kg. [evanscycles.com](http://evanscycles.com)

**4 TRANZBAG FROM** €89.90

A lightweight bag – the Road version is 290g, packing to 22x8x4cm – for taking your bike free, TranzBag say, on 'virtually all' national public transport in Europe. [tranzbag.com](http://tranzbag.com)

**5 RESTRAP MESSENGER BAG** £49.99

Made in Yorkshire, this waterproof Cordura messenger bag has a 10.5-litre capacity that suits laptop-and-lunch-sized commuting loads. [restrap.co.uk](http://restrap.co.uk)

**6 ISEN ALL SEASON ROAD** £1750 F&F

Isen Workshop is a partnership between Hartley Cycles and Talbot Frameworks. This carbon-forked, steel-framed 'all roads' bike is designed for both 700x35C and 650x40B in larger sizes, and 650x35C and 26x1.6in in smaller sizes. [isenworkshop.com](http://isenworkshop.com)

**7 MAXXIS MINION DHF PLUS** £59.99-£64.99

Many 3-inch tyres struggle for grip on muddy UK trails. This could be your year-round front tyre solution. Sizes: 27.5x2.8 (71-584) and 29x3 (76-622) in 60 and 120tpi. [maxxis.co.uk](http://maxxis.co.uk)
