

# SHOP WINDOW

Like Play School's round window but rectangular and paper-based. **Dan Joyce** previews new bikes and kit

## Cycling UK kit

The new club kit, heritage clothing, and other merchandise is available online from: [cyclinguk.org/shop](http://cyclinguk.org/shop)

## 1 Mason InSearchOf Force 1x £3,490

Intrigued by the Genesis Vagabond (reviewed last issue) but want more refined and spendier? This takes 29x2.4in or 27.5x2.8in tyres. The frameset (Dedacciai Zero/Reynolds 853 frame, carbon fork) is £1,595.

## 2 Rotor 1x13 groupset £2,299+

12-speed? So last year, darling! Welcome to hydraulic shifting for road or gravel bikes, with 13 (!) sprockets on a 10-39 or 10-52 cassette. The chain is 12-speed but runs on a wider freehub set 3mm inboard. [rotorbike.com](http://rotorbike.com)

## 3 miniFumpa £109

It's a USB-rechargeable mini-compressor that inflates a 700x23C tyre to 100psi (twice per charge) in 40-50 seconds. Greener than CO<sub>2</sub> cannisters, less so than a good pump.

## 4 Brompton B75 £745

Budget(ish) Bromptons are back. This is essentially an M3 model but there's no folding pedal (no big deal) and no mudguards (big deal).

## 5 Lifeventure SoftFibre OS Travel Towel £22.99

With this travel towel (150x90cm, 280g), you can dry and go! Snowdon, Ben Nevis, Scafell Pike, Pen y Fan, High Peak, and London maps available. [lifeventure.com](http://lifeventure.com)

## 6 Apidura Expedition Fork Pack £44

A waterproof 4.5L bikepacking bag, with velcro straps to hold it to your fork cage. Looks well made.
