

# SHOP WINDOW

Window shopping without schlepping along the high street. **Dan Joyce** curates

## The Cycle Show

It's back at Birmingham's NEC from 13-15 September. See [thecycleshow.co.uk](http://thecycleshow.co.uk) and also page 4.

### 1 Magura MCi £TBC

**Magura Cockpit**  
Integration takes internal routing a step further: brake hoses run through the stem and handlebar, which houses the hydraulic cylinders. [magura.com](http://magura.com)

1

### 2 Ortlieb E-Mate £119.99

Designed for carrying a spare e-bike battery, the E-Mate has a fixed-position padded central pocket to stop the battery lurching about. There's 16 litres of storage too. [ortlieb.com](http://ortlieb.com)

2

### 3 Genesis CGR1 Fork £349.99

A 400g full-carbon fork with a 1 1/8in steerer, 12x100mm thru-axle, and clearance for 700x40C tyres. It has mudguard and triple cage mounts, plus internal dynamo cable routing. [genesisbikes.co.uk](http://genesisbikes.co.uk)

3

4

5

### 4 Tern BYB P7 £1,200

This 20in-wheel folder fills the same niche as the

7

6

Brompton, with luggage options and a three-way fold to just 35x81x52cm. [ternbicycles.com](http://ternbicycles.com)

### 5 Viking Lillesand M £65

How to avoid soggy feet on your flat-pedal mountain bike? Waterproof socks? Or these lace-up rubber boots with a sole that could have been made for pedals with pins? [vikingfootwear.com](http://vikingfootwear.com)

### 6 Frost+Sekers Otis £140

A 15-litre cotton duck saddlebag, it's interesting primarily for its Quicklock mounts (another £80 each!), which fit to a seatpost's saddle rail clamp or a fork's steerer tube. [frostandsekers.com](http://frostandsekers.com)

### 7 Lezyne Tubeless CO2 Blaster £45+

Hot on the heels of the Dynaplug Air, Lezyne have launched a two-in-one tyre-plug-CO2-inflator. Ream the hole, stab the plug in, inflate, done. [lezyne.com](http://lezyne.com)
