Separating the bike industry wheat from the press release chaff. **Dan Joyce** does the winnowing

London Bike Show

Is back at ExCeL, London, from 27-29 March. For details, visit thelondonbikeshow.co.uk

1 Yasujiro Svelte \$1,600 (frameset)

Steel has a reputation for resilience, good looks, and weight. Yet this road bike weighs 5.42kg, making it [Yasujiro claims] the lightest steel bike in the world. Frame and fork are 1,700g. yasujirobike.com

2 Magware Cutlery £38

This aluminium cutlery set for travellers is designed to replace disposable plastic. Weighing 76g for knife, fork, spoon, and carry pouch, it clips together with magnets. full-windsor.co.uk

3 PDW Owl Cage £18

PDW already had a cute aluminium Sparrow bottle cage. Now there's an Owl, a Very Good Dog, and a Lucky Cat; the latter two are side cages. ridepdw.com

4 Restrap City Range £34.99+

There are City Saddle Bags both Large (pictured, 2L) and Small (1.2L), which stay stable via an elastic strap around a Brompton's suspension block, a City Stem Bag (1L), and a City Bar Bag (1.2L) for M and H Brompton bars. restrap.com

5 Halo dynamo wheels £134.99+

Need a dynamo wheel for your road bike, gravel bike, MTB, or tourer? Halo has launched a range of 16 different wheels with SP Dynamo hubs: rim or disc brake; 29er/700C or 650B; QR, 12mm, or 15mm axle. halowheels.com

6 Yuba Pop Top \$200

The palanquin-like Pop Top Cover offers protection from the elements for your junior passenger(s). It fits to any Yuba longtail with Adjustable Monkey Bars. Side panels and windows open for access and ventilation. yubabikes.com

7 Wolftooth EnCase System £127

Essential tools that stash in flat or drop handlebars, the 132g EnCase system comprises a chain tool and tire plug kit in one side, and a 14-function Allen key/screwdriver/Torx multitool in the other. wolfteethcomponents.com
