# NEW SUMMER RAFFLE

Welcome to Cycling UK's 2020 prize draw.  
Enter now at [cyclinguk.org/summer-raffle](http://cyclinguk.org/summer-raffle)

**B**uy a ticket to Cycling UK's new raffle and you could be in with the chance of winning a great prize to add a little extra sunshine to your summer. Your entries will also be helping us at a critical time. In the last issue of Cycle we explained how Covid-19 has impacted on our organisation and why we need your support more than ever.

As the UK slowly begins to recover, the good news is that cycling is high on the agenda. There are so many opportunities for Cycling UK to get more people on bikes, make our voice heard, increase our supporter base, and improve the member experience.

**Just the ticket**

We've sent out paper tickets to members who have previously entered a Cycling UK raffle by post.

But we can't do this without your help, so please buy some tickets today and encourage your friends and family to enter. This will be our only raffle in 2020 – it's your only chance to win!

If you'd like to support us but don't want to play the raffle, you can make a donation via the website: [cyclinguk.org/donate](http://cyclinguk.org/donate).

**How to play**

Please enter online if you can to save on our administration costs. There may be delays in processing mail sent to the office as staff are still working from home to maintain social distancing.
