Riding with the club

New riders are very welcome to join us but we have some basic rules:

- You need to wear a helmet and have a roadworthy bike
- Under 18's must be accompanied by an adult.
- Follow the instructions of the ride leader and comply with the highway code.
- Be prepared for poor weather conditions, dim light and flat tyres.
- We help one another to sort out problems and no one is abandoned on a ride.
- By riding with the club you are NOT automatically insured against 3rd party incidents. It is a good idea get your bike and yourself insured.
