Matters arising:

The detailed review of the ICE list has been completed. An email was sent to all ride leaders urging them to download the latest version and Paul E is to send a further reminder via the Thursday BikeBus WhatsApp group.

Runs list:

B-Rides: There are currently effectively only two ride leaders for the Sunday B-rides. Attendance has been fairly low lately.

A-rides: There have at times been up to 12 riders for the A-group, but most of the time these rides attract a core group of 4-6 riders.

Thursday rides: Continued very good attendance, though lately not so many riding from West Hill. The list of venues for October has just been posted to the CTC Exeter website.

Finance:

The current balance on the club account is £3,658.29. Recent expenditure has been £38.40 for the "WhenAvailable" booking platform and £70 hire of the Church Hall for the curry night.

Future Events:

Bike Maintenance

Decided to move this event to next spring.

Curry night

- To be held on Friday 24 October.
- The St Thomas Church Hall has been booked.
- Roy R and Glenis have agreed to speak about their tour this summer.
- Ian G is to speak to a local cycling industry business to see if they are interested in sending a speaker.
- Tim and Judy have agreed to coordinate the catering once again.
- Ian G to draft an invitation to active riders. A list of the active riders (from the Cycling UK database) will also be distributed to the Committee for review.
- Dave M to check with churchwarden to see if they have now bought a new projector.

Christmas lunch

A booking has been made by Paul E at The Thatch for 11 December. We need a minimum of 20 participants for the lunch to go ahead, but based on last year's turnout that should not be difficult.

Mulled wine

Two provisional dates were noted: 14 or 21 December. Roy R will check with Tim and Judy.

Ian G will prepare a 'hold the date' email for both the Curry Night and the Christmas lunch, to be sent out as soon as possible. A more detailed email will then subsequently be sent out for each event.

Ride Leaders List

The list of current ride leaders (per the Cycling UK database) was reviewed. Ian G to submit revisions to HQ.
