**Hut:** Nothing to report.

**Newsletter:** The cover and part of the Editorial is completed but unfortunately, to date, no articles have been submitted. Plans to create a Fife Pilgrims Way (walking route via historical locations) have been forwarded as a suggested article but on it’s own isn’t enough to justify compiling a newsletter. Even if articles were to start coming in it is unlikely that an edition of Fife Wheels would be ready to start work on until the Editor’s return from holiday early to mid-March.
**Fife Cycling Forum:** There have been no meetings held for some time - therefore nothing to report.

**Social:** The final Darts/Doms night of the winter is to be held on 18th Feb. at Dysart Bowling Green. A ‘Cycling Cinema’ is to be arranged on a date that suits the projectionist. Various suggested new social activities were discussed.
Cheese and Wine evening: discussion about format, location etc. (nothing resolved)
Quiz Night/Beetle Drive: discussion about format, location etc. (nothing resolved)
Cycling Jumble: suggestions were made re the format of a cycle jumble but it was realised that the jumble idea suggested was intended as a much smaller event like a ‘Bring and Buy’ that could be incorporated into another event such as a Slide Show. It was also suggested that other events could possibly benefit from being combined such as a Quiz Night with a Cheese and Wine but none were decided upon.
Indoor Crazy Putting, Dulloch Park: the putting was discussed along with the possibility of a meal afterwards. (action: G.S. to look into prices etc.)

**CTC Scotland:** No report was available at the time of the meeting. The next CTC Scotland meeting held Saturday 14th February, 2015 (the report of that meeting is appended below)**
