SAVE 20% WITH HIPLOK

With most bike thefts occurring from the home, a solid security setup could be a great gift for the cyclist in your life. Airlok is a wall-mounted bike hanger that combines high security and stylish design, keeping the bike safe within a hardened steel frame and 30mm hardened steel locking pin.

If you're looking for a stocking filler, Hiplok's JAW and JAW+ wall mounts offer convenient bike storage at easily affordable prices. cyclinguk.org/hiplok

Christmas

CYCLING GIFTS AND WINTER KIT

Mince pies have been on supermarket shelves since September and the advent calendar is already in pride of place on the mantelpiece. Christmas is just around the corner. It's time to start planning those gift lists – whether that's your own or the budding cyclist in your life. Just subtly leave this page open where it can be easily seen to ensure you get what you want this year!

Your Christmas lights might already be up. Have you gone for full seasonal scenes created out of differently coloured flashing bulbs or something more subtle? The shorter days mean you'll definitely need lights on your bike at this time of year, though. Read our guide to lighting regulations (cyclinguk.org/lighting-regulations) for more information on what's required.

If you're looking to upgrade your lights or invest in a spare pair, as a member you can claim a 7% discount at Halfords (cyclinguk.org/halfords), both in store and online, and 10% off products at Freewheel (cyclinguk.org/freewheel).

Now is a great time to spruce up your winter cycling kit. Or maybe you're planning on tackling our latest long-distance route, Marcher Castles Way (cyclinguk.org/marcher-castles-way), in the new year and you're in the market for some new bikepacking kit? Either way, don't forget about your 10% discount with

Decathlon (cyclinguk.org/decathlon-uk). You can get a huge range of cycling gear, along with all kinds of other outdoor equipment.

If it's bikepacking or touring bags you're after, keep in mind that you can claim 10% off high-quality panniers, bags, backpacks and accessories from Ortlieb (cyclinguk.org/ortlieb) and 15% off premium bike bags and outdoor accessories from Wildcat Gear (cyclinguk.org/wildcat-gear).

This Christmas, give the little adventurer in your life the gift of outdoor fun with a super safe and lightweight bicycle from Frog Bikes (cyclinguk.org/frogbikes). Choose from a range of balance, first pedal, hybrid, city, road and MTB bikes. Frog bikes are designed specifically for children in the company's factory in Wales, using eco-friendly materials like rice husk pedals and recycled aluminium frames and cranks. Cycling UK members can log in and enjoy 10% off Frog Bikes. Give your child or grandchild the gift of fun, freedom and a greener future.

If you know any new or potential cyclists, the gift of Cycling UK membership (cyclinguk.org/gift-membership) means they'll get all the same great benefits you enjoy, and you'll be helping us continue our work to improve cycling for everyone.

All that remains is to wish all our members a very merry Christmas!
