Carradice Brompton Weekender £94.95+

This new bag is made from 600-denier polyester laminate and is 100% waterproof. It includes a mount to fit the Brompton carrier block and comes in black or olive. The 10L bag is £94.95, the 17L £119.95. carradice.co.uk

04

Spirigrrips+ Composite £63.75

While they're about as attractive as Shrek's ears, these ergonomic (and updated) inner bar-ends look like a good solution for longer-distance flat-bar comfort. They're only 84g. spirigrrips.com

02

Enigma Elan frame £2,599+

Unlike most titanium bikes, Enigma's new endurance road bike is made in the UK (in stock sizes). It has a T47 bottom bracket, hidden mudguard mounts and takes 32mm tyres. enigmabikes.com

05

Pirelli Smartube RS £28.99

TPU tubes are on a roll right now. Pirelli says its new one for 26-35mm 700C tyres (32g with a 42mm valve, 34g with 80mm) offers "nearly identical" rolling performance to a tubeless setup. pirelli.com

03

Pinnacle Commute Jacket Ladies £44.99

Not new but, like a lot of Pinnacle stuff, discounted at the time of writing; it was £90. It has 5k/5k waterproofing and breathability. Sizes 8-16, yellow or coral. Men's version available. evanscycles.com

06

Exposure Six Pack Mk15 £495

Exposure's off-road bar lights – like the 6,000-lumen (!) Six Pack 15 – now have USB-C charging, power delivery, an OLED status screen and better auto-brightness to adjust light output to speed. exposurelights.com
