New benefit

## 25% off gift membership

Less wrapping, more riding: give gift membership of Cycling UK this year – and get 25% off. A gift membership isn't just a card or a box; it's a full year of cycling support, inspiration and peace of mind. Treat the cyclist in your life to all the benefits you enjoy: £10 million third-party liability insurance and exclusive legal advice, Cycle magazine every two months, and exclusive discounts on gear, travel insurance, holidays and more.

Beyond the practical perks, a gift membership also supports Cycling UK's campaigns for safer streets, better infrastructure and wider cycling access. So your gift benefits the whole cycling community. With new benefits added throughout the year, including recent additions like Evans Cycles and Saddle Skedaddle holidays, your thoughtful gift will be remembered long after the wrapping paper is gone.

With 25% off, individual gift membership is just £41.25 for a full year. That's only £3.44 a month for a wide range of benefits and a connection to the cycling world. Or get the whole family a gift they'll love from £66.75 (just £5.57 a month).

Whether they're a weekend rider, daily commuter or completely new to cycling, this is a gift that keeps on giving. Get Christmas wrapped up early and give them a present they'll use all year.
