01

Hiplok Urban D £49.99

Can't justify the cost of one of the grinder-resistant locks we tested? Hiplok's new Urban D is a £50 Gold Sold Secure lock with a frame mount. See cyclinguk.org/hiplok for your 20% discount. hiplok.com

04

BBB CoreCap AL Valve £24.99+

A newcomer to the Presta-replacement market for tubeless users, CoreCap swaps the core for a sprung valve that allows better airflow and that works with Schrader pumps. bbbicycling.com

02

Surly Straggler Frameset £899

Surly's venerable steel all-rounder, the Straggler, has been updated with thru-axle dropouts, bigger tyre clearances (up to 50-622), more frame mounts and flat-mount brake fittings. surlybikes.com

03

Tailfin HyrdoMount £20

Tailfin's strap-on HyrdoMount lets you mount additional bottle cages or smaller cargo cages to your bike's top, seat and down tubes. It fits tubes from 22-90mm diameter. tailfin.cc

05

Vee T-Monster 32x2.4in tyre £125

Want them or not, 32in off-road tyres are coming. As a fan of 30in-diameter rubber (29x3in), I get the idea - at least for taller riders and possibly XC racing. This one's 61-686 and 1.6kg (!). veetires.com

06

Restrap Utility Hip Pack £105.99

This 6-litre, waterproof hip pack doubles as a bar bag, enabling you to keep valuables at hand in all bikepacking situations. See cyclinguk.org/restrap for your 10% discount. restrap.com

07

Apidura Packable Backpack (13L) £49

Handy for bikepackers and tourers stocking up on food, this 110g, waterproof backpack scrunches down to the size of your fist and comes with a strap to attach it to a bike frame. apidura.com
